Tabou Rocket GT 95lt and 105lt 2009	£599.00	The Rocket GT has been a popular board for those entering the freeride market as it's construction and pricing made it a sensible but fun buy. The boards are fast to plane and have a good top speed bu...

Boards - Used

Exocet Usurf 3 68 Used 2011	£695.00	Widestyle Tri-fin wave board which works as a down the line in tri fin set-up or as an onshore mush board in single fin setup. Although the board has the larger 16.5cm fin supplied, a 20cm fin would...
Exocet X Wave 81 Used 2011	£679.00	Single fin wave board which will work in all wave sailing conditons. The X Wave boards have good early planing for getting off the beach in onshore winds and a fairly large sail carrying capacity for...
Fanatic Shark HRS 165 Used 2010	£495.00	Fanatic's Freeride range of boards. The HRS construction offers the rider a degree of safety regarding impacts from the rig, so a great board range for improving your sailing on. This board has a very...
Goya Twin or Tri 81 Wood 2010	£550.00	This is a little bit of an odd one. The board is a standard production Goya 81 Wood from 2010 but it has had a third US fin box added (by Gerry Anderson) to enable the fitment of a single large fin or...
Naish Sails Global Wave 78 Used 2008	£389.00	The Naish Global was their Euro Wave. The boards are fast (as per all Naish wave boards) which makes them a great performer in onshore conditions, but are very easy to ride and will perform on a wave...
Naish Sails Pro Wave US1111 75 Used 2008	£375.00	Naish Wave boards have the reputation of being technical to sail, but when you ask owners if this is the case they all say No. They are fast, but the turn rate and control, even in choppy water, is ex...
RRD Avant Move 59 2002	£195.00	The Avant Move boards were the Freestyle Wave of the RRD range. They were constructed in the same manner as the Cult wave boards (for toughness) and had a similar rail and tail design for control in t...
RRD Hardcore Wave XS Used 2007	£345.00	The down the line wave board from RRD. Boards of this size are rare as not many get imported into the UK, so if you are an up to 65kg rider this could be the best wave board you ever buy! The owner...
RRD Wave Cult 77 Ltd Used 2007	£385.00	The Cult range are plug and play wave boards. They are easy to sail but the harder you play the board will do exactly as you ask. They are a wide style wave and great for playing in mush or reasonable...
Starboard Go 155 Tufskin Used 2005	£350.00	The Go 155 is a progressive freeride board with multiple footstrap positons to suit Improvers through to experienced sailors. It is supplied with a choice of fin sizes and a set of side fins to aid up...

North Ice HD Wave 3.4m 2010	£336.00	The Ice is North's Classic wave sail, not too powerful and only slight back hand pressure (2010 has more back hand pressure than 2009 model) when compared to the Duke. The HD (heavy Duty) version has...
North Ice HD Wave 5.0m 2010	£379.00	The Ice is North's Classic wave sail, not too powerful and only slight back hand pressure (2010 has more back hand pressure than 2009 model) when compared to the Duke. The HD (heavy Duty) version has...
North Natural 5.4m 2010	£245.00	No Cam Freemove / Freeride sail. High Tension Outhaul with easy Visual Trim settings. Sets on SDM (best) or RDM masts.
North Natural 7.0m 2010	£269.00	No Cam Freemove / Freeride sail. High Tension Outhaul with easy Visual Trim settings. Sets on SDM (best) or RDM masts.
Severne Gator 5.7m 2010	£359.00	The Gator is a sail range that starts off in the smaller sizes as a Freewave and ends up as a Freeride in the larger sizes. The 5.7m is a freewave but it has the ability and stability to be used as a...
Simmer Icon 4.0m 2009	£275.00	Onshore/Sideshore Wave. Rotational sail. Sets on RDM or SDM masts. Excellent build quality.
Tushingam Dino 2.7m 2005	£99.00	Not an adjustable head so needs a shorter than luff length mast.
Tushingam Rock Wave 5.5m 2009	£287.00	Rotational Wave sail. Easy to rig on SDM / RDM masts. Very stable.
Tushingam Storm Force 10 3.5m 2010	£255.00	The Storm has been around since the nineties and during its evolution has won many Best in Test from the magazines. The Storm Force 10 is best classed as a rotational freewave/ride and can be used on...
Tushingam Storm Force 10 6.0m 2010	£320.00	The Storm has been around since the nineties and during its evolution has won many Best in Test from the magazines. The Storm Force 10 is best classed as a rotational freewave/ride and can be used on...
Tushingam X15 Sails to clear 2009-2010	£179.00	The Speed sail from Tushingam. If you want or need to go fast and at a very reasonable cost .. then this is the sail for you. Tushingams own write up as below... Powerful yet controllable, the...

Sails - Used

Ezzy Sails Power Slalom 7.5m 1998	£50.00	Twin Cam Freeride from a while back. Soft Cams for easy rigging and rotation. Sets on SDM Masts. This sail has had a new window panel and has a small hole in the luff tube where the edge of a cam has...
Ezzy Sails Wave Panther 2 5.2m Used 2010	£185.00	The Panther 2 is classed as a power wave sail but it continues in David Ezzy's line of being of a soft rotational design (the battens are pre-shaped and the tips float behind the mast to allow easy lu...
Ezzy Sails Wave SE 3.5m Used 2007	£140.00	High Tension Outhaul soft rotational sail (battens are pulled away from mast). The 2007 Ezzy Wave was the last of the range to have a lesser amount of batten pre-curve, which made them a little less h...
Ezzy Sails Wave SE 5.0m Used 2006	£90.00	The Ezzy Wave SE is an all round wave sail. Rotation of the SE sails is very soft (they luff really well on a wave) due to Ezzys high tension outhaul design. This also makes the sails very stable in h...
Gaastra Manic 5.3m Used 2002	£60.00	The Manic, since its conception, has always been the toughest wave sail in the Gaastra range. The Manic is classed as a power wave but it has a vast tuning range and therefore suits all weights of rid...
Gaastra Manic HD Wave 4.2m Used 2010	£245.00	The toughest wave sail in the Gaastra range. This sail was purchased mid 2011 and is in very good condition. The official Gaastra description is as below.. “Bomb Proof” High Definition...
Gaastra Manic HD Wave 5.0m Used 2010	£225.00	The toughest wave sail in the Gaastra range. This sail was purchased mid 2011 and has a harness hook mark and scratches from a boards nose on the lower panel (no need for attention) but otherwise it i...
Gaastra Manic Wave 3.7m Used 2010	£180.00	The classic wave sail in the Gaastra range. This sail, as most wave sails with a monofilm window, has scratches and creases in the main window panel but none that look like they will be a problem. The...
Gaastra Remedy 6.0m Used 2004	£100.00	The Remedy has always been classed as the Freewave sail in the Gaastra range, but also works well on fast slalom boards or freestylers.. so it basically does everything! This sail has a couple of sti...
Goya Eclipse Wave Pro 5.7m Used 2011	£299.00	The Eclipse is classed as a Power Wave sail. It is available in 6.2m and 6.8m with the main window panel in monofilm rather than the X-Ply as in the Pro version (reduces the weight and makes the sail...
Magic Touch Gwithian Wave 4.5 & 5.0m 1988	£20.00	Two Magic Touch semi-soft (battens finished at the luff panel rather than at the tube, so that they completely de-powered in the turns)Gwithian Wave sails from the late eighties. Both will rig on a 46...
Naish Sails Boxer 6.2m Used 2008	£190.00	The Naish Boxer is a Wave/Freewave/Freestyle low aspect ratio sail, which in the larger sizes has proved to work well on small freeride boards as well. One thing to note is that the mast needs to be a...

Naish Sails Force 4.0m Used 2008	£195.00	Designed for wave sailors who like a powerful sail with a high centre of effort and more back hand pressure. The Force has a very stable foil shape and works well on Freestyle Waves.Tough build qualit...
Naish Sails Force 5.3m Used 2010	£195.00	This sail has one smal ding in the lower panel (not through the material) but apart from that it is in very good condition. Designed for wave sailors who like a powerful sail with a high centre of...
Naish Sails Noa 5 9.0m Used Price but NEW 2001	£110.00	Easy to rig No Cam Freerace/ride sail . This sail has crushing damage around the clew area but it is not likely to fail and a far better bet than a used sail, especially at this price! A lot of sa...
Neil Pryde Alpha 5.0m Used 2008	£140.00	The Alpha is Neil Pryde's power sail. It is favoured by heavier weight sailors at is has a high centre of effort giving lift to get wave or freewave boards up onto the plane. It is also a favourite of...
Neil Pryde Alpha 5.4m Used 2008	£160.00	The Alpha is Neil Pryde's power sail. It is favoured by heavier weight sailors at is has a high centre of effort giving lift to get wave or freewave boards up onto the plane. It is also a favourite of...
Neil Pryde Fly 4.5m 2009	£169.00	The Kauli Seadi signature low aspect ratio Wave sail. Designed for skateboard style manoeuvres on the wave face and fast rotations in the air. Note. The 2009 Fly had poor reviews (hence the pricing...
Neil Pryde Fly Mk2 5.1m Used 2011	£295.00	Originally the Kauli Seadi signature low aspect ratio Wave sail now also used by Jason Polakow. Designed for skateboard style manoeuvres on the wave face, fast rotations in the air...or for poodling a...
North 5.8m Drive Sail Used 2010	£70.00	The Drive is North's Newcomer / Progression sail, aimed at entry level boards through to the larger Freeride boards (approx. 120lt upwards). The small sizes of the Drive are stable enough to work well...
North Dr X 4.7m Used 2002	£65.00	All conditions wave sail. Norths Dr X was one of the first high tension outhaul sails from their design team and to be honest, it had a reputation for not being that stable. That was generally due t...
North Duke Freestyle/Wave 6.4m Used 2011	£295.00	The first of the DUKE models that have been designed primarily to rig on an RDM mast, but will still work as well as ever on an SDM. If you have not heard of the Duke sail by now..best call us. Thi...
North Ice HD Wave 4.0m Used 2011	£280.00	The Ice is North's Classic wave sail, not too powerful and only slight back hand pressure when compared to the Duke. The HD (heavy Duty) version has more of the X-ply than the standard Ice sail,which...
North Ice Wave 5.0m Used 2008	£125.00	The Ice has been around for enough years to have gained quite a following. It has generally appealed to wave sailors who like a sail with a stiff foil locked-in feel, and not too much back hand pressu...
North Superstar Wave 3.7m Used 2003	£50.00	The original Bling Sail from North. Superstar sails had a strong following when launched back in 2002, as it was a leap forward (?) in production sail graphics, which has led to the current Code Mads...
Severne Blade 4.5m Used 2009	£135.00	The Blade is a fully rotational Side/Onshore Power Wave sail. The centre of effort is not set too high in the sail and that means that the Blades power delivery is suitable for all weights of sailors...
Severne Gator 6.0m RED/WHITE! Used 2009	£195.00	The Gator sail range is split into three design briefs. 3.7-5.3m are FreeWave, 5.5-6.0m FreeMove and 6.5-8.0m FreeRide. The 6.0m sizing works well on both the flat and bump and jump conditions. This s...
Severne Gator 6.0m Used 2009	£160.00	The Blade 6.0m is classed as a Freemove but is tough enough to also work well on freewave boards. It is a fairly light in the hands sail with good low end power when set full. This sail has a few cri...
Simmer Icon 5.8m Used 2006	£145.00	Power Sideshore Wave. Rotational sail. Sets on RDM or modern slimmer SDM masts. The perfect wave sail for heavier riders or for those that like a powerful, slightly back handed, wave sail. This sail...
Tushingham Mustang 5.2m Used 2006	£90.00	The Mustang is a sail designed for lightweight sailors. This is achieved by positioning the boom cut out and the centre of effort in the sail lower to suit a shorter/lighter sailor.The clew has a ch...
Tushingham Storm 5.5m Used 2008	£110.00	The Storm (mk1) was Tushingham's high wind Freewave/ride sail. It was well constructed (PVC shock absorber panel to prevent damage to the window) and gained popularity as a Rig it and Go all round sai...
Tushingham Storm 6.25 Used 2004	£90.00	The Storm (mk1) was Tushingham's high wind Freewave/ride sail. It was well constructed (PVC shock absorber panel to prevent damage to the window) and gained popularity as a Rig it and Go all round sai...
XO Sails Skull Wave 3.7m 2010	£165.00	Around Wave Sail from the sail division of the French Exocet company. This sail is in good condition. XO sails say.. The Skull line is aimed at light weight sailors or those keen to shine in side...
XO Sails Skull Wave 4.5m 2010	£175.00	Around Wave Sail from the sail division of the French Exocet company. This sail is in good condition. XO sails say.. The Skull line is aimed at light weight sailors or those keen to shine in side...

Sails - Ex-Demo

Naish Sails Session 4.5m Used 2010	£280.00	This sail is a shop sail (Dannys) and has only been used a few times..in A1 condition! Designed for wave sailors who like a lighter softer feeling sail with a mid sail centre of effort and slight ba...

Amex Free 160-210 2008	£265.00	
------------------------	---------	--

Extensions/Bases - New on Offer

Naish Sails 35cm Std. Diameter Extension US Cup	£15.00	An old extension but will still work if you are on a budget.
Naish Sails 48cm Std. Diameter Extension US Cup	£20.00	
North 28cm Power XT RDM Extension Mk2 2011	£149.00	This extension makes setting the downhaul of your sail exact. The ability to add (or release) tension one click at a time means sail setting can now be precise. The tension can also be adjusted on the...
North Pinlock XT RDM Extension 2011	£45.00	Loop and Go pulley assembly make this an easy to use extension with some sail brands.
Teknosport 30 & 45cm Std. Diameter Extension US Cup	£18.00	A good extension but only fits Chinook push pin cups.

Fins - New on Offer

Drake Natural Wave 2008	£65.00	Suitable for side/onshore. Softer in the tip than the 2009 model which is better for control and feel in the turns, but not so good for upwind sailing..
Maui Fin Co. Freestyle Goya 211 Series	£69.95	This model comes in 2 sizes, 24cm and 26cm and its for intermediate freestyle sailors. It was derived from last seasons famous Freestyle Pro. The outline is narrower than last season and the profile i...
Maui Fin Co. Goya 211 Series	£75.95	This fin offers a new concept in fin design developed by MFC and Francisco Goya. The material chosen is G-10. The fins are CNC designed and machined by a high precision milling machine. The profile is...
Maui Fin Co. K One Wave 2009	£75.95	MFC and Kevin Pritchard, wave world champion, developed this new fin concept also in G-10 construction. The straight outline allows for very early planning and radical upwind ability, but the fin is i...
Maui Fin Co. Liquid Freeride 2009	£50.00	The LIQUID is the freeride/freerace fin by MFC. The profile is generated by the SL and RC models, with incredible top speed, great planning and maneuverability. Ideal for Freeride conditions, as well...
True Ames Fins Convert Freeride 2008/9	£75.00	This Free Ride design blends the speed of a slalom fin with the looseness of a wave orientated design. Suitable for boards in the 78 to 115 Ltr range. Very forgiving.
True Ames Fins Enduro 2008/9	£65.00	When riding the waves you want to have the confidence to push further. The Enduro will give you the freedom to go there. The flexy tip gives this fin it's real feeling of looseness while maintaining p...
True Ames Fins Enduro Slot 2008/9	£65.00	The Enduro slotted wave fin is for those wild conditions when all you want to do is stay in control.
True Ames Fins Slalom Pointer 2008/9	£49.00	The moderate aspect ratio of this design, combined with a slightly swept outline, meet the demands for an all around FUN free sailing fin. Will suit pre.widestyle boards.
True Ames Fins Sweep/Sweeper Freeride 2008/9	£85.00	This Free Ride design targets the new generation boards in the 90-140 ltr range. Sweeper fins are fast and target the lighter wind boards, but they still have great upwind performance for a freeride f...

Fins - Used

Select Lightning Evo Fins Used 2005	£60.00	All of these fins are in as new condition (the only one that shows any sign of wear is the 39cm).
-------------------------------------	--------	---

Harnesses/Lines - New on Offer

Arrows Fixed Harness Line 20	£9.00	One size only on Offer. Arrows fixed harness lines are fairly soft when set on the boom ie. they swing. Boom tail piece has to be removed to attach these lines.
DaKine Mono Harness Line 2010	£12.00	DaKine mono lines are a single point attachment line (both ends of the line sewn into a single webbing mount). Designed for freestylers but also used by sailors who like their lines close together. Th...
DaKine Pyro Kitesurf Harness 2009	£90.00	The DaKine Pyro is the top of the range Kite Waist harness. It is a Thermo Formed product which offers greater support than a fabric bodied harness. Another plus of a Thermo Formed harness is that it ...
DaKine Pyro Kitesurf Harness 2011	£139.00	The DaKine Pyro 2011 continues to be the top of the range Kite Waist harness. It is a Thermo Formed product which offers greater support than a fabric bodied harness and has less water retention. For...
DaKine Pyro Kitesurf Harness 2010	£108.00	The DaKine Pyro 2010 is the top of the range Kite Waist harness. It is a Thermo Formed product which has been developed and perfected over quite a few years. Thermo Forming offers greater support than...
